Health and Human Services Agency recommending the Board:

**DISCUSSION / BACKGROUND:**

California voters passed Proposition 63 (MHSA), in November 2004 and MHSA was enacted into law January 1, 2005. MHSA imposes a one percent (1%) tax on personal income above \$1,000,000. The funds are distributed to the counties throughout the State and are intended to transform the mental health system into one that is focused on wellness, recovery, and resiliency.

Under MHSA, each county is required to develop a Three-Year Program and Expenditure Plan (Plan), followed by two subsequent years of Annual Updates to the original Plan. The purpose of the Annual Update is to review existing projects and to make deletions, modifications, or additions to the original Plan. Therefore, planning, implementing, and updating each Plan and Annual Update is an ongoing, annual process.

On June 20, 2017, the Board adopted and authorized implementation of the MHSA FY 2017-2018 through FY 2019-20 Three-Year Program and Expenditure Plan (File 17-0551, Item 33). On June 25, 2019, the Board adopted and authorized implementation of the MHSA FY 2019-20 Annual Update (File 19-0936, Item 44).

One component of the Plan is Prevention and Early Intervention; and one project of that component is “Expressive Therapies.” This project, identified in the MHSA FY 2019-20 Annual Update will use different expressive therapies as a therapeutic modality to help parents who are experiencing grief due to the separation of an adopted or foster child. Expressive therapies could include, but are not limited to, dance, art, journaling, and music. Unresolved grief due to the removal of an adopted or foster child can lead to negative mental health consequences. Therefore, in addition to an instructor familiar with various art forms, this project also will be complimented by a therapist or other mental health professionals who would be able to guide conversations or help individuals who unexpectedly are confronted with unresolved grief.

**ALTERNATIVES:**

Should the Board decline to approve this recommendation, HHSA would not be in compliance with the approved MHSA FY 19/20 Annual Update, and the funds may go unspent.
