DISCUSSION / BACKGROUND

At its March 29, 2005 meeting, the Board of Supervisors entered into an agreement with the El Dorado County Fair Association, Inc., a general non-profit corporation, for the continued management of the County Fair and Fairgrounds. The term of the agreement was for five years with an automatic five year renewal each year following the completion of the first five years ("rolling" five year renewal).

Section 16 of the Agreement requires the Fair Association obtain the Board of Supervisors approval of its annual budget, showing estimated revenues and proposed expenditures from all sources during the ensuing calendar year. The Chief Administrative Office notes that Section 16 of the Agreement requires the Fair Association to submit its budget to the State following approval by the Board of Supervisors.

On November 19, 2019, the Board approved \$226,600 in one-time funding using Transient Occupancy Tax funds to go to the Fair Association. The funding is to be used for capital improvement projects on the County owned fairgrounds property. The 2020 budget includes \$200,110 of this funding; \$26,487 was budgeted in 2019.
