DISCUSSION / BACKGROUND

On September 17, 2019, the Board of Supervisors adopted a Memorandum of Understanding (MOU) with the El Dorado County Managers' Association (EDCMA) representing employees in the Management (MA) bargaining unit for the period July 1, 2018 through June 30, 2021. Article 5, Section 1.C of the MOU included a new anti-compact provision that requires the County to adjust base wages as necessary for 15% anti-compact above the highest paid subordinate

classifications, unless otherwise provided for in the MOU.

EDCMA MOU Article 5, Section 1. C specifically states:

C. Anti-Compaction

The step 1 base wage for Unit job classifications will be 15% greater than the step 1 base wage of each classification's highest paid subordinate job with three exceptions. The three exceptions which are listed here below will have a step 1 base wage that is 10% greater than the step 1 base wage of each classification's highest paid subordinate job classification:

Deputy Assessor - Systems and Support
Mental Health Medical Director
Supervising Deputy Public Defender

On November 5, 2019, the Board of Supervisors adopted a MOU with the Operating Engineers Local No. 3 (OE3) representing employees in the Corrections (CR) bargaining unit for the period July 1, 2018 through June 30, 2023. This MOU provided for base salary increases to CR classifications effective November 9, 2019, which resulted in salary compaction with the EDCMA represented classification of Correctional Lieutenant.

In order to comply with Article 5, Section 1.C of the EDCMA MOU, the base salary of Correctional Lieutenant should have been increased by 3.23% effective November 9, 2019, to provide a 15% base salary above the subordinate Sheriff's Correctional Sergeant classification.

It came to Human Resources' attention that the current base salary for Correctional Lieutenant did not comply with the provisions of the MOU and, as such, we are recommending the Board retroactively amend the salary schedule, and authorize and direct the Payroll Division of the Auditor/Controller's Office to implement the salary increases retroactive to the pay period including November 9, 2019 and compensate employee(s) in the Correctional Lieutenant classification for back pay resulting from the delay in implementation of the required salary increase.

The MOU between the County and the El Dorado County Manager's Association, adopted with Legistar item 19-1335, authorizes a 3.85% increase to base wages effective January 4, 2020. The 3.85% increase to the Correctional Lieutenant base salary will be based on the retroactive salary outlined in this item.

Lastly, in an attempt to mitigate future retroactive increases in these situations, the Human Resources Department is implementing a better system to track anti-compaction increases such as this.
