DISCUSSION / BACKGROUND

Chapter 2.5 (formerly Chapter 2.2) of the California Government Code, also known as "County Service Area Law," contains the regulations for establishing and governing County Service Areas.

Government Code Section 25215.2 (formerly 25210.06a) authorizes the Board to levy special taxes uniformly to all taxpayers on real property within the County Service Areas. Special taxes have been approved by the electorate for one (1) Zone of Benefit in County Service Area 3, and forty-four (44) Zones of Benefit in County Service Area 9 in fiscal year 2018/2019.

On April 2, 2019, Legistar 19-0328, Item 43, proceedings were conducted for the Hawk View Zone of Benefit 98613 and the zone was dissolved. No direct charge special taxes were levied for the 2019/2020 fiscal year.

Government Code Section 50075.1 requires each special tax measure subject to voter approval on or after January 1, 2001 include four accountability measures. The accountability measures are:

- 1) A statement indicating the specific purpose of the special tax;
- 2) A requirement that the proceeds be applied only to the specific purposes identified;
- 3) The creation of an account into which the proceeds shall be deposited; and

4) An annual report pursuant to Section 50075.3.

As specified in Government Code Section 50075.3, the Chief Fiscal Officer of the levying local agency shall file Annual Report of Special Taxes (Annual Report) with its governing body no later than January 1 following the end of each fiscal year. The Annual Report must contain the amount of funds collected and expended, and the status of any project required or authorized to be funded as identified in Subdivision (a) of section 50075.1 of the Government Code.

Due to the transfer of data from the new FENIX software by the Chief Administrative Office, Administration and Finance Division and staffing changes, the Department of Transportation filing of the report was delayed beyond the final Board Agenda in December, 2019. There are no penalties or sanctions for filing the report after January 1, as long as the report is filed.

In order to comply with the requirements of Government Code Section 50075.1(d) and 50075.3, a summary of all zones funded through the levy of special taxes for fiscal year 2018/2019, and individual pages containing details for each zone are included herein as attachments A and B.

Each detailed Zone page includes: the Zone of Benefit purpose, name and number; the Org Code and Subfund established by the Auditor/Controller for the account into which the zone proceeds were deposited under the enterprise resource program, FENIX; the total funds collected during the fiscal year; the total funds expended during the fiscal year; and, the project status as of June 30, 2019.

In addition to the required information, each detailed page includes the Total Equity in Pooled Cash in each Zone account as of June 30, 2019, and the fund balance designation balances showing savings for planned future maintenance and future infrastructure replacement, as recommended either through an Engineer's Report submitted at formation of the Zone, or by the advisory committee where one has been appointed.
