Department of Transportation recommending the Board adopt and authorize the Chair to sign Resolution **010-2020** amending a parking restriction on Brittany Way.

**FUNDING:** Road Fund.

### DISCUSSION / BACKGROUND

Department of Transportation, Maintenance and Operations Division (Transportation) conducted multiple site visits the week of March 11, 2019. The site visits were initiated due to a request from Rescue Union School District who proposed extending the "No Stopping Any Time" zone on the east and north side of Brittany Way to facilitate traffic flow. During the site visits staff observed numerous vehicles parked along Brittany Way which did impede traffic flow at the entrance to Lakeview Elementary School and interfered with buses making a left turn from the bus drop-off area. An additional site visit was conducted by the Traffic Superintendent and an Officer with California Highway Patrol to observe the traffic conditions. Both individuals recommended the red curb be extended on Brittany Way to facilitate traffic flow and increase safety for school buses making a left turn.

California Vehicle Code (CVC), Section 22505 (along with CVC 22507), allows local authorities to establish Stopping, Standing, or Parking Restrictions on County Roadways. From the field review and observations, Transportation recommended extending the existing "No Stopping Any Time" Zone on the east side of Brittany Way an additional one hundred and two (102) feet north for public safety. This recommendation would amend the current parking restriction under Resolution 323-2006.

The following recommendation was approved by the West Slope Traffic Advisory Committee at a meeting held on December 5, 2019:

### DELETE:

(ea) ~~"NO STOPPING ANY TIME" along the east side of Brittany Way (No. 2709) beginning at Suffolk~~
