DISCUSSION / BACKGROUND

Information Technologies Department recommending the Board authorize increased funding for the countywide contract #2096 (blanket purchase order BP20180212) with Granite Financial Solutions, Inc. by \$150,000 for a total not-to-exceed amount of \$345,000 for purchases anticipated through June 30, 2021, which is the revised expiration of the contract per Supplement 8.

Countywide contract #2096 covers the purchase of Dell desktops and PC related items on an "as requested" basis in accordance with the State of California, Department of General Services contract #1-17-70-01A, Supplements 1-8.

The original agreement, effective 01/01/18, had a not-to-exceed (NTE) amount of \$30,000. Previous change orders over the life of the contract have increased the NTE to a total of \$195,000.

The current requested NTE increase will be used to fund various department purchases for failed or unsupported computers prior to Virtual Desktop Infrastructure (VDI) conversion, or in support of converting computers from Windows 7 to Windows 10. Official support for Windows 7 ceased on January 14, 2020.

Purchasing Ordinance 3.12.160, Exemptions from Competitive Bidding Process, section D allows for exemption from competitive bidding for items where the contract was awarded utilizing a competitive bidding process substantially the same as that utilized by the County. DGS #1-17-70-01A is such a contract.

ALTERNATIVES

The Board of Supervisors could disapprove the requested increase, thereby disallowing additional computer equipment purchases. The Board could also require the County initiate its own competitive bid process. These alternatives would result in significant operational impacts to departments by delaying or disallowing computer equipment purchases.

PRIOR BOARD ACTION

19-1472 - Previous increase to NTE and approval of Supplements 1-6.
