**Reason for Recommendation:**

In September 2008, the Board authorized the transfer of the Revenue Recovery Division from the Treasurer/Tax Collector's Office to the Child Support Services Department with the adoption of the final FY 2008-09 budget. Appropriations for Revenue Recovery functions were moved from the Treasurer/Tax Collector's budget to the Child Support Services Department budget in the FY2008-09

budget addenda process.

Subsequently, we identified that appropriations for Risk Management charges for the Revenue Recovery Division were not included in the addenda budget adjustment. A budget transfer is necessary at this time to transfer appropriations for Risk Management charges from Treasurer/Tax Collector to the Revenue Recovery Division to accurately record the FY 2008-09 budget for both departments and to fund the Risk Management charges that have been posted to the Revenue Recovery Division in FY 2008-09. The budget transfer moves appropriations in the amount of \$10,448 for the following:

Retiree Health	\$8,707
Workers Compensation	\$828
General Liability Insurance	\$913

Action to be taken following Board approval:

1. Chairman to sign budget transfer.
2. Board Clerk to send budget transfer to Auditor-Controller for processing.
