DISCUSSION / BACKGROUND

The Sheriff's Office currently utilizes Ecolab to rent dishwashers for the South Lake Tahoe Jail on a perpetual basis, therefore, a sole source contract agreement for supplies corresponding with those rentals has been utilized.

Funds are being added to the purchase contract to cover costs in FY 2019/20, and in future years through June 30, 2023. A request for Authority to be given to the Purchasing Agent to increase the value of the purchase contract as long as the Department has the funding in the budget to prevent having to bring the purchase contract to the Board for multiple approvals.

Additionally, this contract provides the Sheriff's Office the opportunity to purchase additional cleaning

supplies utilized in both jails during the COVID-19 pandemic.
