DISCUSSION / BACKGROUND

On May 15, 2018 (Item 21), the Board approved the Offsite Road Improvement Agreement (RIA) for Wilson Boulevard (Project), AGMT 18-54839, with Elliott Homes, Inc. (Developer). The RIA defined the obligations of the Developer for the performance of the work within the County Right of Way. The RIA set forth the terms and conditions for the construction of the off-site improvements and allowed the Developer to construct Wilson Boulevard, in accordance with approved plans, from the intersection of the existing Wilson Boulevard to the point of connection with Saratoga Way.

The road improvements for the Project have been inspected by the Department of Transportation

(Transportation) and were found to be complete in accordance with the approved plans, specifications and requirements of the RIA.

ALTERNATIVES

None; when the Owner/Developer completes all improvements and the County inspects and approves those improvements, the County is then obligated to approve reduction of the Bonds, if necessary, and initiate the warranty period.
