DISCUSSION / BACKGROUND

The County of El Dorado purchases Microsoft Tablets through the State of California Department of General Services, Procurement Division's agreement with PC Specialists, Inc. dba Technology Integration Group contract 1-16-70-08A, with a contract term of 9/19/2016 through 9/18/2021.

With the increase of County staff teleworking as a result of the COVID-19 Pandemic, the Chief Administrative Office anticipates an increase in requests for tablets. Staff is recommending that a change order be approved to extend and increase FENIX Contract #3420 by \$340,000 to cover anticipated purchases. This will increase the contract value to \$439,000 and extend the contract Term through 9/18/2021. The requested increase for the purchase contract is an estimate. The majority of these purchases will be for equipment required to allow for teleworking and it is anticipated be reimbursed with CARES act funding. Authorizing the purchasing agent to increase the purchase contract amount on an as needed basis will provide flexibility to accommodate any additional needs that are identified as staff continues to develop teleworking processes.

ALTERNATIVES

The Board could choose to not approve the recommended increase and extension, causing operational impacts to departments by delaying or disallowing future tablet purchases.
