DISCUSSION / BACKGROUND

The Procurement and Contracts Division issued a Request for Proposals (RFP) for a new countywide copier rental program. In September, 2012, the County issued a similar RFP that was awarded to Discovery Office Systems for a five year period. The contract with Discover was extended for an additional three years in 2017. Due to the fact that eight years has passed since the original RFP, Procurement and Contracts decided to release a new RFP for the countywide copier program. Ray Morgan Company of Roseville was the successful bidder.

There are approximately two hundred twenty (220) Kyocera copiers currently placed throughout County departments. These copiers will be replaced under the terms, conditions and pricing of the new copier rental program in accordance with the new copier rental RFP. There are nine primary classes of copiers placed throughout the County with varying options and network connectivity features. Copiers are frequently upgraded or replaced when existing rental terms expire, and new copiers added as departments relocate or establish new offices. As a result, the total cost of the

copier program County wide cannot be predicted. Depending on the class of copier and optional features selected the monthly copier rental cost ranges from approximately \$20 up to \$490.

Sixteen (16) Request for Proposals were issued, two (2) to local vendors, five (5) qualified responses were received, none from local vendors.

Qualified responses were received from:

Toshiba Business Solutions of Sacramento
Ray Morgan Company of Roseville
Canon Solutions America of Sacramento
Caltronics Business Solutions of Sacramento
Kyocera Northern California of Sacramento

In accordance with Board of Supervisors Policy C-17, Section 7.10, proposal responses were evaluated by personnel from the Procurement and Contracts Division and Information Technologies staff. Responses were evaluated on proposal content and presentation; compliance with administrative requirements; ability to provide all classes of equipment as identified in the RFP; experience, qualifications, and references; and cost. Ray Morgan Company is recommended as the successful proposer whose copier rental program best meets the needs of the County and has the overall lowest cost.

ALTERNATIVES

Stay with our existing vendor or issue a new RFP.

PRIOR BOARD ACTION

September 4, 2012 #03
August 29, 2017 #02

OTHER DEPARTMENT / AGENCY INVOLVEMENT

Information Technologies verified specifications of all copier models bid by the proposed vendor.

CAO RECOMMENDATION / COMMENTS

Approve as recommended.

FINANCIAL IMPACT

The new contract will result in annual savings, up to approximately \$270,000 annually. This figure is an estimate and will change depending on the class of copier and optional features each department selects. In addition, there will be an implementation period as the old copiers are switched out for the new copiers.

CLERK OF THE BOARD FOLLOW UP ACTIONS

Following Board approval, the Procurement and Contracts Division will issue individual purchase contracts for orders to replace expiring copiers on an "as needed" basis.
