DISCUSSION / BACKGROUND

On April 5, 2021, the Chief Administrative Office received an email from the office of Caltrans District 3 requesting the County's support of a nomination for the 2021 American Association of State Highway and Transportation Officials (AASHTO) America's Transportation Awards for the Echo Summit Sidehill Viaduct Replacement project.

America's Transportation Awards helps showcase why transportation infrastructure - and why properly funding it - is vital to supporting the nation's economy while improving the quality of life for communities across the country. The competition serves as a way to recognize state departments of transportation and highlights the projects they deliver that make their communities a better place to live, work, and play.

Projects can be nominated in the following categories: Operations Excellence, Best Use of Technology & Innovation, and Quality of Life/Community Development. Caltrans is submitting for nomination the Echo Summit Sidehill Viaduct Replacement project for the Best Use of Technology and Innovation category. This is one of only three statewide projects being submitted.

ALTERNATIVES

The Board could choose not to sign the letter of support.
