DISCUSSION / BACKGROUND

A public hearing was held and closed on June 29, 2021 to hear separate appeal requests by Woodcrest REV and the Divide Preservation Society and the Cool Pilot Hill Advisory Committee, appealing the Planning Commission's approval of Design Review Permit DR19-0006 for Cool General Retail on May 13, 2021. The Board of Supervisors conceptually denied both appeal requests and directed staff to return with updated Findings of Fact supporting the denial of both appeals and the Board's conceptual action to amend Condition of Approval 13. As the Board directed, the Findings of Fact for the EIR have been updated to reflect the Board's findings at the June 29, 2021 public hearing. The Conditions of Approval have also been amended as directed by the Board's conceptual action and the final Conditions of Approval are attached to this item. After the hearing, the applicant submitted the attached letter concurring in the conditions of approval as amended by the Board.
