Auditor-Controller and the Chief Administrative Officer recommending the Board authorize the continuation and utilization of the perpetual agreement between Hinderliter, deLlamas & Associates and El Dorado County for the provision of specialized sales tax analysis and recovery services.

FUNDING: General Fund.

DISCUSSION / BACKGROUND

The Auditor-Controller administers one (1) agreement for service that does not have a stated contract term, thus renewing automatically from year to year. Pursuant to Board Policy C-17, departments must obtain authorization from the Board of Supervisors, initially, and on an annual basis, to utilize any contract that does not have a stated contract term.

Under this agreement, HdL provides specialized services to the County. HdL has the unique ability to provide a combination of report preparation, data analysis necessary to effectively manage the County's sales tax base, and to recover revenues erroneously allocated to other jurisdiction and allocation pools. HdL has in place programs, equipment, and personnel to deliver this sales tax service.

FINANCIAL IMPACT

The cost of the contract varies based on sales and/or use tax received by the County as a result of audit and recovery work performed by the Contractor. Costs are offset with sales tax revenue that would otherwise have not been received.
