Background:

Each County in California is required to operate an In-Home Supportive Services (IHSS) program to provide personal care and domestic services to aged, blind or disabled individuals in their own homes. The purpose of the program is to allow individuals who are recipients of these services to live safely at home rather than in costly and less desirable out-of-home placement facilities. The individual recipient of services is not only the consumer of the services, but is also the actual employer of each individual provider, holding all powers and responsibilities of employers with the exception of determining the total number of hours that may be worked each week and the salary and benefit levels. Historically, the individual providers were paid minimum wage and had no benefits. Pursuant to Welfare and Institutions Code (WIC) Section 12302.25, enacted in 1999, each county was required to establish, on or before January 1, 2003, an employer of record for IHSS care providers for the sole purpose of collective bargaining. This provided individual IHSS caregiver providers the opportunity for representation by unions to negotiate for wages and benefits. On June 10, 2002 the El Dorado County Board of Supervisors established by ordinance an IHSS Public Authority (IHSS PA) for the purpose of serving as employer of record for individual providers of services. The Board of Supervisors acts as the Governing Board for the IHSS PA and designated the Department of Human Services to administer this program on behalf of the County. Additionally, the IHSS PA is responsible for maintaining caregiver registries, providing IHSS consumers with caregiver referrals and providing for consumer and caregiver training. In March of 2003, United Domestic Workers of America (UDWA) successfully established itself as the bargaining unit for caregiver providers in El Dorado County. The County hired Industrial Employers and Distributors Association (IEDA) to provide consultation services and the expertise to negotiate with UDWA on behalf of the Governing Board. IEDA negotiates IHSS PA contracts throughout the state and is aware of the latest state, administrative and political issues relative to County IHSS PA and UDWA negotiations.

Reason for Recommendation:

This Agreement is for a one-year term commencing October 1, 2009 and ending September 30, 2010. It replaces a two-year Agreement 447-S0810, which expires on September 30, 2009. IEDA provides the expertise to meet and confer in good faith with the UDWA for and on behalf of the IHSS PA as the designated representative of the Governing Board. Negotiations are on-going at this time, and the continuing services of IEDA are recommended to advise and consult with the Governing Board and the Director of Human Services on all matters relating to employment conditions and employer-employee relations of the IHSS provider caregivers

Action to be taken following Board approval:

1. Chairman to sign two (2) originals of Agreement 075-S1010
2. Board Clerk's Office to return one (1) original Agreement to Human Services at 3057 Briw Road
3. Department to distribute as appropriate.
