Assessor recommending the Board of Supervisors adopt and authorize the Chair to sign Resolution **149-2021** amending the authorized personnel allocation for the Assessor's Office to add 1.0 full-time equivalent (FTE) Property Transfer Specialist, 1.0 FTE Office Assistant I/II, and 0.2 FTE Assessment Technician I/II/Sr.

DISCUSSION / BACKGROUND

On September 21, 2021 (file #21-1451), the Board of Supervisors conceptually approved the addition of 3.2 FTEs to the Assessor's Office. The additional employees are needed to address workflow changes associated with the new property tax administration system, as well as workload impacts of the passage of Proposition 19 (The Home Protection for Seniors, Severely Disabled, Families, and Victims of Wildfire or Natural Disasters Act), the surging real estate market, and the Caldor Fire.

The Assessor has worked with Human Resources to determine the appropriate classifications for 2.2 of the FTEs, and would like to move forward quickly with adding and recruiting for these positions while work continues to determine the appropriate classification for the remaining FTE.
