Chief Administrative Office recommending adoption of Resolution approving and authorizing the Chairman to execute and deliver a purchase and sale agreement and all related documents with respect to the securitization of County of El Dorado Proposition 1A General Fund, County Road Tax Fund and Accumulated Capital Outlay receivables from the State of California. (Est. Time: 30 min.)

FUNDING: General Fund \$6,383,713.12, County Road Tax Fund \$432,006.61 and Accumulated Capital Outlay \$100,241.77.

Resolution 241-2009

Fiscal Impact: General Fund \$6.3 million, County Road Tax Fund \$432,000, Accumulated Capital Outlay \$100,000.

Background: Proposition 1A was passed by California voters in 2004 to ensure local property tax and sales tax revenues remain with local government thereby safeguarding funding for public safety, health, libraries, parks, and other local services. Provisions can only be suspended if the Governor declares a fiscal necessity and two-thirds of the Legislature concurs.

The emergency suspension of Proposition 1A was passed by the Legislature and signed by the Governor as ABX4 14 and ABX4 15 as part of the 2009-10 budget package on July 28, 2009. Under the provision, the State will borrow 8% of the amount of property tax revenue apportioned to cities, counties and special districts. The state will be required to repay those obligations plus interest by June 30, 2013. The County has two primary options: hold the receivable until June 30, 2013 or participate in the Proposition 1A Securitization Program. The State has set the interest rate for counties that hold their receivable at 2%. Under the Proposition 1A Securitization Program the County would receive 8%.

Recommendation: El Dorado County should place all eligible receivables under the Proposition 1A

suspension in the Proposition 1A Securitization Program. This agenda item covers the securitization of the General Fund (\$6.3 million), County Road Tax Fund (\$432,000), and Accumulated Capital Outlay (\$100,000).

Proposition 1A Securitization Program: Authorized under ABX4 14 and ABX4 15, the Proposition 1A Securitization Program was instituted by California Communities to enable Local Agencies to sell their respective Proposition 1A Receivables to California Communities. The legislature on October 14, 2009 passed clean-up bill SB67 which provides for a few critical changes to the Proposition 1A Securitization Program legislation, including but not limited to providing for: financing to occur in November; county auditor certification of amount of Prop 1A receivable; tax-exempt structure; California Communities as the only issuer; more flexibility on bond structure (interest payments, state payment date and redemption features); sales among local agencies; and revision to the hardship mechanism. If for any reason bonds cannot be sold by December 31, 2009, all approved documents placed in escrow with Transaction counsel will be of no force and effect and will be destroyed.

Under the Securitization Program, California Communities will simultaneously purchase the Proposition 1A Receivables, issue bonds ("Prop 1A Bonds") and provide each local agency with the cash proceeds in two equal installments, on January 15, 2010 and May 3, 2010 (to coincide with the dates that the State will be shifting property tax from local agencies). The purchase price paid to the local agencies will equal 100% of the amount of the property tax reduction. All transaction costs of issuance and interest will be paid by the State of California. Participating local agencies will have no obligation on the bonds and no credit exposure to the State.

If the County of El Dorado sells its Proposition 1A Receivable under the Proposition 1A Securitization Program, California Communities will pledge the County of El Dorado's Proposition 1A Receivable to secure the repayment of a corresponding amount of the Prop 1A Bonds. The County of El Dorado's sale of its Proposition 1A Receivable will be irrevocable. Bondholders will have no recourse to the County of El Dorado if the State does not make the Proposition 1A Repayment.

Proposition 1A Program Sponsor: California Statewide Communities Development Authority ("California Communities") is a joint powers authority sponsored by the California State Association of Counties and the League of California Cities. The member agencies of California Communities include approximately 230 cities and 54 counties throughout California.

The benefits to the County of El Dorado participation in the Proposition 1A Securitization Program include:

Immediate cash relief - the sale of the County of El Dorado's Proposition 1A Receivable will provide the County of El Dorado with 100% of its Proposition 1A Receivable in two equal installments, on January 15, 2010 and May 3, 2010.

Mitigates impact of 8% property tax withholding in January and May - Per ABX4 14 and ABX4 15 and the proposed clean-up legislation SB 67, the State will withhold 8% of property tax receivables due to Cities, Counties, and Special Districts under Proposition 1A. The financing outlines bond proceeds to be distributed to coincide with the dates that the State will be shifting property tax from local agencies.

All costs of financing are paid by the State of California. The County of El Dorado will not have to pay any interest cost or costs of issuance in connection with its participation.

No obligation on Bonds. The County of El Dorado has no obligation with respect to the payment of the bonds, nor any reporting, disclosure or other compliance obligations associated with the bonds.

Proceeds of the Sale of the County of El Dorado's Proposition 1A Receivable:

Upon delivery of the Proposition 1A Bonds, California Communities will make available to the County of El Dorado its fixed purchase price, which will equal 100% of the local agency's Proposition 1A Receivable. These funds may be used for any lawful purpose of the County of El Dorado and are not restricted by the program.

The documents to be executed as part of this agenda item are:
