Supervisor Thomas recommending the Board authorize the Chair to sign a Proclamation recognizing Marshall Medical Center's 2021 Leapfrog Top Hospital Award and "A" rating for outstanding quality and safety.

DISCUSSION / BACKGROUND

Marshall Medical Center was awarded the 2021 Leapfrog Top Hospital Award and "A" rating for outstanding quality and safety. The Leapfrog Group is a national nonprofit organization driving a movement for giant leaps forward in the quality and safety of American health care. The flagship Leapfrog Hospital Survey collects and transparently reports hospital performance, empowering purchasers to find the highest-value care and giving consumers the lifesaving information, they need to make informed decisions. The Leapfrog Hospital Safety Grade, Leapfrog's other main initiative, assigns letter grades to hospitals based on their record of patient safety, helping consumers protect themselves and their families from errors, injuries, accidents and infections.

The quality of patient care across many areas of hospital performance is considered in establishing the qualifications for the award, including infection rates, surgery, maternity care, and the hospital's capacity to prevent medication and other errors. The rigorous standards are defined in each year's Top Hospital Methodology.

To qualify for the Top Hospitals distinction, hospitals must rank top among peers on the Leapfrog Hospital Survey, which assesses hospital performance on the highest standards for quality and patient safety.
