DISCUSSION / BACKGROUND

On November 16, 2021, the County Board of Supervisors approved a new Memorandum of Understanding, which increased the salary for all staff represented by Local 1. The total increase from these changes will come to approximately \$85,895 in the Department of Child Support Services.

On September 21, 2021, the County Board of Supervisors also approved an increase for unrepresented employees. The total of this increase will come to approximately \$18,822 in the Department of Child Support Services.

The Department requested additional funding from DCSS in the amount of \$104,717 in order to cover the increases to salary and benefits. This request was approved and the additional funding will be included with the February remittance from DCSS.

ALTERNATIVES

Should the Board choose not to approve this request, the Department will not be able to cover salary and benefits for Fiscal Year 2021-2022 with State funding and may require the use of discretionary General Fund revenues.
