Sheriff's Office recommending the Board approve and authorize the Sheriff to sign the Domestic Cannabis Eradication and Suppression Program (DCESP) grant funding Letter of Agreement 2022-15, with the United States Department of Justice Drug Enforcement Administration - (US DOJ/DEA) in the amount of \$185,000 for the period October 1, 2021, to September 30, 2022 to defray costs relating to the eradication and suppression of illicit marijuana only.

**FUNDING:** DCESP Funds.

### DISCUSSION / BACKGROUND

This is an annual agreement that the Sheriff's Office has participated in since 1997. The funding is for activities related to the cooperation with the DOJ in locating and eradicating illicit cannabis plants, and investigating, arresting and referring cases to the prosecuting authorities.

As in the past years, the DOJ is requiring that none of this funding be used to offset costs associated with law enforcement oversight of legal marijuana activities. The Sheriff's Office is complying with this requirement and has put procedures in place to separate the illicit marijuana suppression activities of staff from the legal marijuana monitoring activities.

The DCESP annually funds overtime, clothing/protective gear, container/space rental, equipment, miscellaneous commercial contracts, supplies/materials, training, travel/per diem, and vehicle rental.
