DISCUSSION / BACKGROUND

On September 21, 2021 (Item 30, Legistar 21-1461), the Board approved the Agreement to Make Subdivision Improvements for Class 1 Subdivision Serrano Village K1/K2, Unit 4, TM 01-1377R (SIA) between the County and Serrano Associates, LLC (Owner).

On January 25, 2022 (Item 17, Legistar 22-0010), the Board approved the reduction of Performance Bond 0773108 from \$1,815,097.10 to \$354,683.92. As this amount already represents ten percent of the total cost of the subdivision improvements, no further reductions are allowed or required.

The subdivision improvements for the Serrano Village K1/K2, Unit 4 project have been completed according to the plans and specifications for this development and per the conditions of the SIA. Department of Transportation (Transportation) construction inspection staff has inspected the work and confirms the subdivision improvements are complete.

ALTERNATIVES

None; when the Owner/Developer completes all improvements and the County inspects and approves those improvements, the County is then obligated to approve reduction of the Bonds, if necessary, and initiate the warranty period.
