DISCUSSION / BACKGROUND

The State of California's Budget Act of 2021 (SB 129) established the Public Defense Pilot Program and appropriated \$50,000,000 in funding to divide among California counties indigent defense providers. The El Dorado County Chief Public Defender applied for, and has been awarded grant funding in the amount of \$250,991.33 for year 1 of the 3 year grant. The Public Defender's Office has coordinated with the Alternate Public Defender's office, and determined an allocation of funding

between the two Offices of approximately: \$222,000 for the Public Defender's Office, \$29,000 for the Alternate Public Defender. The grant covers a three-year funding cycle: March 1, 2022 - March 1, 2025. Funds must be utilized for indigent defense providers including public defenders, alternate defenders, and other qualifying entities that provide indigent defense in criminal matters for the purpose of workload associated with the provisions in paragraph (1) of subdivision (d) of Section 1170 of, and Sections 1170.95, 1473.7, and 3051 of, the Penal Code.

With the funding made available through this grant opportunity, the Public Defender will provide legal assistance and advocacy to two categories of clients: youthful offenders who need support and legal guidance through their parole hearing process (§3051) and clients who are eligible for sentence recall and resentencing pursuant to §1170(d). The grant budget includes the addition of 1.00 FTE Paralegal for the identification of potential clients and support of legal services. If approved, a future recommendation will be presented for the addition of 1.00 FTE Limited Term Paralegal. Clients will be handled by the Public Defender and the Alternate Public Defender offices, in a collaborative effort. These grant funds will not supplant, but enhance existing programs and efforts by the Public Defender's Office.

The project will also fund expert witnesses, private investigators, and mitigation specialists preparing 1170 requests or Franklin Hearings assigned to both the Public Defender and the Alternate Public Defender.

ALTERNATIVES

Should the Board decline to adopt Resolution XXX-2022 and decline to approve the acceptance of the Public Defense Pilot Program funds, the County would be ineligible to participate in the Program and, as a result, not be awarded the funding identified for El Dorado County.
