DISCUSSION / BACKGROUND

The El Dorado Sports Disc Foundation is a Non-Profit for Public Benefit Corporation founded in 2017 to grow the sport of disc golf and educate the public on the physical, mental, and social benefits that a disc golf course brings to a community. In 2016 the Foundation installed the first 9-hole course in Folsom and since then have offered their time, talent, energy, and passion to help disc clubs, schools, and communities grow the sport of disc golf.

The FUA allows for the use of the parking lot at 1360 Johnson Blvd, South Lake Tahoe on June 19, 2022, during the third day of the 2022 King of the Lake Disc Golf Tournament. There are no costs associated with this agreement.

Further, it is recommended the Board make findings pursuant to Government Code 25526.6 that issuance of this Facility Use Agreement is in the public interest in that the use of this space helps promote the physical, mental, and social benefits of disc golf.

ALTERNATIVES

The Board could decline to authorize the FUA and the El Dorado Disc Sports foundation would have limited parking for the participants.
