**Title:** Health and Human Services Agency (HHS) recommending the Board:

- 2) Find that the Navigation Center project is necessary to respond to an emergency to protect and enhance public health and safety and that the emergency will not permit a delay resulting from a competitive solicitation for bids, and waive competitive bidding in accordance with Public Contract Code Section 22050 for contracts associated with the design and construction of the Navigation Center Project in order to address the emergency shelter crisis (4/5 vote required) [bold text is additions and strikethrough is deletions];
