### DISCUSSION / BACKGROUND

In accordance with Board Policy Number C-17, departments are required to obtain authorization from the Board of Supervisors to utilize any contract that does not have a stated contract term on an

annual basis and is above Purchasing Agent authority. The Human Resources Department, Risk Management Division, has a Board approved contract with Sedgwick which does not have a stated contract term. In addition, as tail claims continue to close, Sedgwick has submitted a new pricing proposal for the Workers' Compensation Administration Fee with an annual cost of \$122,033. The Human Resources, Risk Management Division is recommending the Board authorize the continued use of this agreement.

In September 2018, the County entered into a Primary Workers' Compensation (PWC) program wherein no new claims would be submitted to Sedgwick for claims management. However, a determination was made that it was necessary to obtain Sedgwick as the claims third-party administrator (TPA) for the administration, investigation, adjustment, utilization review, bill review and case management for tail claims (claims incurred prior to September 2018).

### **ALTERNATIVES**

The Board could choose not to approve the agreement and Risk Management could find and use a different third-party administrator for tail claims.
