Agriculture Department recommending the Board receive a presentation from the University of California Cooperative Extension Central Sierra and Agriculture and Natural Resources sharing their Multi-County Partnership activities and programs.

FUNDING: General Fund.

DISCUSSION / BACKGROUND

University of California Cooperative Extension provides programs to foothill Counties, which brings researchers and educators into rural areas to help bring the results of agricultural research to the end users to address local agricultural, environmental and health issues. This partnership comprises The Regent of the University of California, The County of Amador, the County of Calaveras, the County of El Dorado and the County of Tuolumne, and is established by the interlocal agreement. Programs include services such as 4-H Youth Development Staff, Master Gardener Staff, Natural Resources Advisors, Specialty Crops Advisor and the Forestry Advisor program.
