DISCUSSION / BACKGROUND

An initial step in amending the Zoning Ordinance is the adoption of the Resolution of Intention (ROI), as required by Section 130.63.020 (Ordinance Amendments and Zone Change Applications) of the Zoning Ordinance.

On June 28, 2022 (File No. 22-1101, Item No. 53) the Board approved and endorsed the Long Range Planning (LRP) Project Prioritization Matrix for Fiscal Year 2022-23, which included reviewing and expanding the Design Review-Community Combining Zone (-DC) for the Cool Rural Center.

Following adoption of the ROI, LRP staff will prepare public review drafts of the proposed amendments and proceed with preparation of all necessary documentation and environmental review as required by the California Environmental Quality Act. Following preparation of the environmental documents, LRP staff will schedule public hearings with the Planning Commission to receive public comments, review applicable environmental documents, and forward recommendations to the Board for consideration at the final adoption hearing(s).

ALTERNATIVES

The Board may choose to not approve this ROI for the Zoning Ordinance Update for the Cool Rural

Center; however, this will cause delays in addressing the projects associated with the Board approved LRP Project Prioritization Matrix for FY 2022-23.
