DISCUSSION / BACKGROUND

On November 9, 2021, the Board of Supervisors authorized the Purchasing Agent to execute Agreement for Services 5910 with Eric S. Hill doing business as Hilltop Tree Service for a three-year term in the maximum amount of \$155,000. Services provided under this agreement include as-needed and emergency certified arborist services, including routine recurring tree and brush cutting services for the preservation or protection of County-owned or operated facilities and public safety.

Due to the significant winter storms in January 2023 emergency services have unexpectedly depleted the remaining funds on this contract. To date, less than \$17,000 remains available for use on this contract. Since this contract is scheduled to end on November 8, 2024 additional funds are needed so that services remain available to County departments. Amendment I increases compensation by \$150,000 for an amended not-to-exceed amount of \$305,000. The Amendment also includes contract language updates to the following articles: Article XII, Safety; Article XXVI, Notice to Parties; Article XXVIII Indemnity; Article XXIX, Insurance; Article XXX, Licenses; Article XXXVI, Conflict of Interest; Article XLII, Contract Administrator; and adds new Article XLVIII, Electronic Signatures.

Due to the fact these services are primarily utilized in short term and temporary situations it is further recommended the Board make findings pursuant to Article II, Section 210b(6) of the El Dorado County Charter and section 3.13.030, C, of County Ordinance 5116 that the ongoing aggregate of the work performed under this Agreement is not sufficient to warrant the addition of permanent staff.

ALTERNATIVES

The Board could decline this amendment and County departments would have to find other means to address certified arborist services for matters of public safety.
