DISCUSSION / BACKGROUND

Beyond Limits holds two permits, #48 and #25 and has requested to transfer 16 weekend and 16 weekday user days from permit #48 to H2O Adventures permit #72. Beyond Limits is also requesting to transfer within their two permits 19 weekend and 19 weekday from permit #48 to permit #25. Both transfers are coming from the same permit #48. This will change the permit allocations as noted in the tables on page 2 of the staff report. The applicants for the transfer have complied with the procedures for a River Use Permit transfer found in River Management Plan Element 6.2.1.4.2.

A Staff Report is attached.
