DISCUSSION / BACKGROUND

As part of the Good Governance Goal in the Board approved Strategic Plan, Board policies regularly undergo a review/update process. Board Policy I-5 was originally adopted in 2015. The policy has been engaged multiple times since being enacted and appears to be working well by enabling a meaningful and fair process to identify and recommend the best candidate to fill a vacant position on a board, committee, or commission. Minor changes are suggested at this time to clarify when this Policy should be utilized. The Policy was reviewed by Department Heads for any additional changes.

County Counsel provided a review and did not have any recommendations on the proposed revisions.
