Chief Administrative Office, in conjunction with County Counsel, recommending the Board:
1) Receive information providing a general assessment of El Dorado County Child Protective Services;
2) Take action on any related recommendations or associated discussion. (Est Time: 60 Min.)

Background:

On November 15, 2009 the Board requested that the Chief Administrative Office in conjunction with County Counsel conduct a review and provide a general assessment of the Child Protective Services program in the Department of Human Services.

Reason for Recommendation:

CAO staff has reviewed the Child Protective Services system and processes; reviewed key outcome measures as defined by Federal and State requirement, including a comparison to statewide data and other comparator agencies; interviewed and received input and information from key participants in the local child welfare system; and is providing a general assessment of the Child Protective Services program in the County of El Dorado.
