Background: Section 17.73.090 of the County Code requires an annual report to the Board to review the success of the OWMP. Attachment A is the second such report since adoption of the Plan in 2008.

Action to be taken following Board approval: DSD staff will continue to monitor oak woodland loss, collection of fees, and replanting areas. Staff will look for opportunities to acquire conservation easements utilizing the oak woodland conservation fund in the priority conservation areas.
