**Background:** On March 3, 2009 the Purchasing Agent executed Agreement for Services #631-S0910

with Viking Shred of Sacramento with a term of May1, 2009 through April 30, 2011 in the amount of \$53,768.00 for the destruction of confidential documents for County departments located on the Western Slope. Amendment I increased the scope of services to include the destruction of electronic waste, extended the term for one additional year, and increased the total not to exceed amount of the contract to \$57,470.00. Amendment II increases the total not to exceed amount to \$100,000.00.

Viking Shred is a fully HIPAA compliant service provider that supplies locking consoles and bins, performs secured shredding on-site, and maintains equipment and facilities that meet or exceed the federal requirements for the destruction of confidential documents and electronic waste.

Reason for Recommendation: There are fourteen months remaining on the existing contract and there are insufficient funds available to cover expenses that will be incurred during that period; therefore, an increase to the compensation is necessary to allow for payment of continued services. The primary departments that utilize these services are:

County Counsel  
Chief Administrative Office  
Sheriff's Office  
Human Services  
Health Services  
Child Support Services  
Recorder-Clerk  
Human Resources  
Risk Management  
District Attorney  
Veterans Services  
Probation

Action to be taken following Board approval: Procurement and Contracts will increase the contract encumbrance.
