Reason for Recommendation: The Procurement and Contracts Division processes various contracts with multiple laundry and linen and garment rental service providers for use by various departments county wide. Multiple contracts are necessary as not all vendors provide the same items and services.

The term of this contract covers the period of April 1, 2010 through March 30, 2013. This Amendment I is necessary as the current balance has insuffient funds to cover the remaining term of the contract and there are slight increases in the replacement cost of some linens. The amendment is attached, and includes a fee schedule. Items rented include uniforms, mats, and shop towels. Weekly rental costs per item range from $.16 to $4.75.

Action to be taken following Board approval: Following Board approval, the Board Clerk's Office will forward the executed amendment to Procurement and Contracts for distribution, administration, and encumbrance.
