Title: Supervisor Sweeney recommending the Board direct County Counsel and the Department of Transportation to meet with the Forest Supervisor of the Eldorado National Forest. The purpose of such meeting would be to request, confirm, clarify, or cooperate in verifying or obtaining easements for the roads cited in the document dated October 6, 1992 which was on the Board's agenda that date as item 17 (archive file # 9931) and which I believe provided easements to the County. Further, to request that the USFS confirm our easement over the property known as Francis Cow Camp and being 160 acres in Sections 11 & 12 T13N, R14 E, MDM as previously proposed on 09-13-11.
