Development Services Department, Planning Services Division, submitting final map for West Valley Village, Unit 3A (TM99-1359F), located on APN 118-140-08, creating 54 residential lots on approximately 29.8 acres in the El Dorado Hills area; and recommending Chairman be authorized to sign the Agreement to Make Subdivision Improvements with LandSource Holding Company, LLC.

**RECOMMENDED ACTION:** Approve.

**Background:** The final map for Unit 3A is within the West Valley Village portion of the Valley View Specific Plan, which was adopted by the Board of Supervisors on December 8, 1998. This sub-unit is a portion of Unit 3 encompassing a maximum of 118 residential lots originally approved on January 22, 2004, under Tentative Map TM99-1359. A subsequent revision to the map, filed under TM99-1359R, involving changes to road access and lot layouts, was approved on July 7, 2004. The proposed final map is for a maximum 54 residential lots, ranging from 0.14 to 0.53 acres in size, consistent with the lot standards identified in the underlying Estate Residential (ER-2) District designated for Unit 3.

**Improvement Agreements and Bonds:** The applicant has submitted an Agreement to Make Subdivision Improvements and bonds pursuant to Section 16.16.050 of the County Code. The Department of Transportation has reviewed and approved the submitted cost estimates. County Counsel and Risk Management have reviewed and approved the Improvement Agreement and bonds for the subdivision.

**Conditions of Approval:** Staff has reviewed the conditions of approval for TM99-1359F and noted that all of the applicable conditions for the tentative map have been satisfied (Attachment B). The Department of Transportation and County Surveyor's Office have reviewed and verified compliance to applicable conditions; approval memorandums from each department have been included as

Attachments E and F, respectively.

Water: The El Dorado Irrigation District has provided a Meter Award Letter verifying that the project has purchased the required Equivalent Dwelling Units (EDU's) for water (potable and recycled) and wastewater to serve all of the 54 residential lots.

Environmental Review: The project has been determined to be Statutorily Exempt from environmental review under CEQA as provided for by Section 15268(b)(3) of the CEQA Guidelines pertaining to ministerial approval of final subdivision maps.
