Legislation Text

File #: 12-0445, Version: 1

Department of Transportation recommending the Board authorize the Department to proceed with ordering and payment of title reports to commence the acquisition process for the Hazel Valley Road at EID Canal - Bridge Replacement Project, CIP No. 77125, affecting portions of APN 009-060-29, Nina Poole, Successor Trustee and Betty Poole, Successor Trustee for the F Poole Trust of 01/17/1995.

FUNDING: Highway Bridge Program Grant Funds.

BUDGET SUMMARY:		
Total Estimated Cost		\$450
Funding		
Budgeted	\$450	
New Funding	\$	
Savings	\$	
Other	\$	
Total Funding Available	\$450	
Change To Net County Cost		\$0

Fiscal Impact/Change to Net County Cost:

Funding for this portion of the acquisition process will be provided by Highway Bridge Program grant funds.

Background:

The Hazel Valley Road @ EID Canal - Bridge Replacement Project (Project) is located 2 miles east of the community of Fresh Pond, just south of Highway 50. The existing bridge is functionally obsolete and does not meet current traffic needs due to its narrow width. The new bridge is proposed to be two lanes to meet current traffic needs and design standards. The approaches to the new bridge will be widened along with improvements to the drainage along Hazel Valley Road. Construction is anticipated to begin in spring 2016.

Reason for Recommendation:

The Department of Transportation (Department) was awarded a Highway Bridge Program grant for the Project. The Project is subject to the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA). The CEQA Mitigated Negative Declaration and the NEPA Finding of No Significant Impact will be prepared and brought back to the Board for approval.

The research of all potentially affected parcels and the acquisition of portions of the subject parcel are necessary from the subject property owners to enable the construction of the Project

improvements. In order for the Department to research title document records and prepare for negotiations with the subject parcel owners, the Department is requesting authorization from the Board to proceed with the acquisition process, including ordering and payment of title reports for the land rights to be acquired.

Action to be taken by the Department following Board approval:

The Department will proceed with the acquisition process for the subject parcel referenced herein, including ordering and payment of title reports for the portions of the subject parcel necessary to construct the Project.
