File #: 12-0716, **Version:** 2

Supervisor Nutting recommending the Board direct County staff to work with a representative from the Citizen's Coordination Committee, Tim Roffe and himself to produce a policy as follows:

- 1) Specifically addresses County preferences as it relates to the County's plans and policies and Coordination;
- 2) Determine in what format the Board would like to see this policy; and
- 3) Approval to move forward. (Cont'd, 6/12/12, Item 32) (Est. Time: 15 Min.)

Tim Roffe and I have been working together to draft additional coordination language as it relates to the County's plans and policies to be included in an amendment to the General Plan. Together we met with Lou Green and Shawna Purvines to discuss and it was suggested that a better alternative to an amendment might be in the form of a resolution.
