FUNDING: Del Oro Caregiver Resource Center - State Grant Funds.

Fiscal Impact/Change to Net County Cost

None. The reimbursement rate of \$56 per day covers the entire cost of providing services, resulting in no impact to Net County Cost. There is no maximum annual reimbursement amount as services are provided on an as needed basis.

Reason for Recommendation

Del Oro Caregiver Resource Center receives annual funding from the State Department of Mental Health, which enables them to reimburse counties in their region, including El Dorado County, for respite services for their eligible clients. This "Vendor Agreement" is the contract that allows for reimbursement to the Senior Day Care Program for services provided to eligible DCRC clients during the term of this agreement. DCRC has contracted with the County since 1989-90 for provision of Senior Day Care Program services.

Retroactive Term

Upon execution, the contract is retroactive to July 1, 2012. The contract was received from DCRC on July 26, 2012 and processing was expedited.
