Human Resources recommending the Board authorize the Chair to sign a Letter of Understanding amending the agreement between the County and Operating Engineers Local Union No. 3 (OE3), Trades & Crafts (TC) Bargaining Unit amending Memorandum of Understanding Article 7 - Days and Hours of Work, Premiums and Bonuses Section 9, Toxic Chemical Differential.

Fiscal Impact/Change to Net County Cost

No change to Net County Cost. Funds for pesticide differentials are included in the FY 12/13 budget.

Background

The pesticide differential applies to employees in the facilities and grounds division of the Chief Administrative Office. These employees were transferred from the Department of Transportation to the Chief Administrative Office effective July 1, 2012. The original agreement was specific to Department of Transportation employees. Therefore it was necessary to add broader language to cover employees in departments other than the Department of Transportation.

Action(s) to be taken following Board approval

Following signature by Chair, two copies shall be provided to Human Resources
