Supervisor Sweeney requesting the Board of Supervisors approve placement of Kathy Witherow at step five of the salary schedule for Supervisors Assistant.

### **Background**

The requested employee has many years in a similar category in the building industry and will prove to be a valuable asset to the county. Further, between the savings currently being made by District 3 and those that will occur under the Supervisor Elect, we will still return a significant portion of our budget to the General Fund; even with the requested placement. Your support will be appreciated.
