The estimated cost of the agreements for FY 2013-2014 is \$52,200. This amount is included in the department's Recommended Budget for FY 2013-2014.

Background

The Library manages several perpetual agreements for ongoing online cataloging, content enhancement, maintenance and support for automated circulation system. The Department is bringing this matter before your Board per BOS Policy C-17 Section 4.5 which states that "Departments must obtain authorization from the Board of Supervisors, initially, and on an annual basis, to utilize any contract that does not have a stated term." The agreements are listed on Attachment "A".

Reason for Recommendation

Library Director is advising the Board of all current perpetual contracts administered by the Library and recommending continuation of the agreements and authorization for the Purchasing Agent to encumber funds for FY 2013-2014 payments under these contracts. Continuation of the agreements is critical to the operation of the Library.

OCLC \$ 8,200

SIRSI	\$ <u>44,000</u>

Action to be taken following Board approval:

- 1) The Library will notify Procurement and Contracts of the Board's approval of the list of perpetual agreements, and
- 2) The Library shall continue to administer the contracts and process payments upon receipt and approval of invoices.
