## Legislation Text

File #: 13-0892, Version: 1

Chief Administrative Office, Procurement and Contracts on behalf of the Health and Human Services Agency (HHSA), recommending the Board approve the following:

- 1) Award Request For Proposal (RFP) No. 13-918-054 for weatherization services with the following vendors; Conforti Plumbing of Placerville, CA; Jonas Heating and Cooling of El Dorado, CA; and Ski Air of Placerville, CA;
- 2) Authorize the Chair to execute agreements upon approval of County Counsel and Risk Management; and
- 3) Authorize the Purchasing Agent or their designee to execute any amendments relating to the agreements developed in association with RFP No. 13-918-054 which do not affect the maximum dollar amount or term of the Agreement, contingent upon approval by County Counsel and Risk Management; and
- 4) Authorize the Director of the Health and Human Services Agency or their designee to administer and execute any subsequent administrative documents relating to said Agreements, including but not limited to required fiscal and programmatic reports.

Other.....	
Total Funding Available.....	\$500,000
Change To Net County Cost.....	No Change

**Fiscal Impact/Change to Net County Cost**

Procurement and Contracts has been advised that funding is available within the HHSA's budget.

**Reason for Recommendation**

At the request of the HHSA, the Procurement and Contracts division issued a RFP for Weatherization Services.

The Services to be provided shall include, but not be limited to, the following:

Services and activities described herein shall be made to the low-income community with the

applicable service area throughout the entire term of the contract unless otherwise specified in any final contract(s) with the County. The highest energy costs or needs in relation to income, and the services and activities funded by said contract shall also meet all other assurances specified at 42 USC §8624.

A. HVAC - Heating, Venting, and Air Conditioning: Services associated with the Weatherization Program including diagnosis, repair, and replacement of appliances listed under "C" below, cooling sources, heating sources, and hot water heaters. This does not include the combustion appliance safety test (CAS) and the Blower Door/Duct Blaster pressure diagnostics, which are performed by County. The contractors are required to perform an ORSAT test on all combustion appliances that are worked on to insure that they are operating per manufacturer specifications and are safe.

B. Weatherization and Emergency Heating and Cooling Service Activities:

1. Water heater repair and replacement
  - i. Electric
  - ii. Propane
  - iii. Mobile home
  - iv. Multi-unit central system
2. Cooling source repair and replacement
  - i. Air conditioning wall or window unit
  - ii. Evaporative cooler
  - iii. Forced Air Unit (FAU) (split system)
  - iv. Multi-unit central system
3. Heating source repair and replacement
  - i. Exterior wall direct vent, interior wall and floor furnace
  - ii. Forced air unit (split system)
  - iii. Mobile home furnace
  - iv. Multi-unit central system
  - v. Package (dual pack)
  - vi. Wood fueled
  - vii. Other

C. Potential Service Areas by Zip Code: Services may be required to be provided in the following zip code areas. It is expected that Proposers understand and acknowledge that the vendors the County ultimately chooses to contract with shall be willing to accept all assignments, regardless of size, scope, or location, that they shall provide all equipment necessary to perform the required assignment, that all services will be provided in the timeframe established by County, and that they must administer, document, invoice, and report to HHSA on County-assigned weatherization activities in compliance with County, Department of Energy Weatherization Assistance Program, and LIHEAP tracking and reporting requirements.
