Fiscal Impact/Change to Net County Cost

The estimated cost of the agreements for FY 2014-2015 is \$26,050. This amount is included in the department's Recommended Budget for FY 2014-2015.

Background

The Library manages several perpetual agreements for ongoing online cataloging, internet access, and maintenance and technical support for the automated materials handling system. The Department is bringing this matter before the Board per BOS Policy C-17 Section 4.5, which states "Departments must obtain authorization from the Board of Supervisors, initially, and on an annual basis, to utilize any contract that does not have a stated term." The agreements are listed on Attachment "A".

Reason for Recommendation

The Library Director is advising the Board of all current perpetual contracts administered by the Library and is recommending continuation of the agreements and authorization for the Purchasing Agent to encumber funds for FY 2014-2015 payments under these contracts. Continuation of the

agreements is critical to the operation of the Library.
