Background

The mission of the California Department of Public Health's Childhood Lead Poisoning Prevention Branch (CLPPB) is to eliminate childhood lead poisoning by identifying and caring for lead burdened children and preventing environmental exposures to lead. The CLPPB has contracted with Health and Human Services Agency's Public Health Division since 2005. The Public Health Nursing Staff perform the following outreach and services to fulfill the mission of the CLPPB:

- 1) Provide education and technical materials to medical providers and the public on lead exposure sources, environmental assessment parameters blood lead level screening/testing and specialty

service referral for exposed children;

2) Distribute to the public at large, health care provider groups and commercial businesses exposure risk reduction materials including but not limited to posters, brochures and other educational medium;

3) Provide public health nurse level case management that includes but is not limited to home visitation, a child exposure/health assessment, in-home environmental assessment, initiation /coordination of blood lead level monitoring, facilitation of medical home placement , referral to California Children's Services when medically qualifying, facilitation of referral and follow-up by regional specialty center; and

4) Facilitate and coordinate multi-agency assessment when a large-scale exposure occurs (e.g., childcare facility, school, or commercial business product source) to test for sources of lead and eliminate lead those sources.

The Agreement is retroactive to July 1, 2014. CDPH released the Agreement in early May, 2014. Staff promptly began processing the Agreement through Agency and County review processes, but were unable to complete the process prior to July 1, 2014.

Reason for Recommendation

HHSA Public Health Division is the local health department for the County of El Dorado. The local health department administers the Childhood Lead Poisoning Prevention Program within its jurisdiction. Approval of this funding Agreement will allow HHSA to continue providing direct case management for children and education to communities/health care providers within the County.
