Fiscal Impact/Change to Net County Cost

There is no change to Net County Cost associated with this agenda item.

Background

Pursuant to Government Code Section 66908.3, the California Tahoe Conservancy (CTC) is authorized to lease acquire lands. When such lands are within El Dorado County (County) and are leased to private individuals or groups, the CTC must transfer twenty-five percent of the gross income of the leases to the County each year. Pursuant to the Budget Act of 2014, Chapter 25/14, the California State Legislature has appropriated \$9,987 to the CTC for transfer to the County as private lease revenue for this fiscal year. At least fifty percent of this amount is to be used for soil erosion control projects in the South Lake Tahoe region, as defined in Section 66905.5 of the Government Code.

Reason for Recommendation

The CTC Private Lease Agreement CTA 14 010 (Agreement) transfers to the County twenty-five percent of the gross income from CTC leases to private individuals or groups on lands owned by the CTC in the County. The Transportation Division (Transportation) will allocate the entire \$9,987 to soil erosion control projects.

The Agreement requires that the County sign the Contractor Certification CCC-307 regarding non-discrimination, drug-free workplace requirements, and other provisions for which certification is required when doing business with the State of California. The County's current practices are consistent with these requisites.

The term of this Agreement is retroactive from July 1, 2014 through June 30, 2015. Transportation did not receive the subject Agreement until July 23, 2014.

Clerk of the Board Follow Up Actions

1. The Clerk of the Board will obtain the Chair's signature on the five originals of the subject private lease revenue transfer Agreement and associated Contractor Certification CCC-307.
2. The Clerk of the Board will return all five partially executed original sets and a certified copy of the Minute Order to Transportation for CTC review and approval.

Actions to be taken by Transportation following Board Approval

1. Transportation will forward an original Agreement to the Clerk of the Board's office and retain a copy for its files upon receiving the fully executed Agreement from the CTC.
