Background

Health and Human Services Agency (HHSA) has contracted with Donelle Anderson since 2011 for the provision of therapeutic counseling, which includes individual, family, and group therapy. Ms. Anderson also provides therapeutic visitation services, and when necessary, she participates in multidisciplinary team meetings and Court meetings. HHSA maintains agreements with multiple local vendors for the provision of therapeutic counseling and related services to ensure that clients can be referred by their caseworker on an “as requested” basis to receive necessary, and in some cases, Court-mandated services from the most appropriate and conveniently located vendor. Choice of vendor is based upon the specific needs of each individual HHSA client.

Reason for Recommendation

Pursuant to Welfare and Institutions Code Sections 16501-16508, HHSA is required to provide

counseling services that promote reunification of children and families who are being served by the HHSA Child Protective Services (CPS) program. The services provided by Donelle Anderson continue to be a successful tool in assisting HHSA to meet these mandates. Approval of Agreement for Services 396-S1411 will also help ensure the continued provision of Court-mandated therapeutic counseling and related services are available on an “as requested” basis.

Failure to approve this Agreement will result in difficulty meeting the service demands of the community and HHSA’s mandated services requirements, as well as disrupt the progress and continuity of care for clients currently receiving services from this vendor.

Clerk of the Board Follow Up Actions

- 1) The Clerk of the Board to obtain the Chair’s signature on the two (2) originals of Agreement for Services 396-S1411.
- 2) The Clerk of the Board to forward one (1) fully executed original Agreement to HHSA Contracts Unit at Briw Road for further processing.
