Background

The Community Development Agency, Transportation Division, is currently in the design phase to realign a high-risk segment of Salmon Falls Road just south of Glenesk Lane in Pilot Hill.

The Salmon Falls Road South of Glenesk Lane Realignment Project is subject to the California

Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA). The preparation of a CEQA Mitigated Negative Declaration and a NEPA Categorical Exclusion has been completed. The CEQA Mitigated Negative Declaration was presented to and approved by the Board on January 24, 2012. Construction is anticipated to begin in the summer of 2015.

Reason for Recommendation

Negotiations concluded with property owner Michael Hawes, an Unmarried Man, securing the County's interest in the acquisition parcel. A settlement has been reached that is representative of the appraised value of the necessary land rights.
