Chief Administrative Office, Economic Development Division, recommending the Board consider the following;

- 1) Receive a presentation from staff providing an update on its various projects and programs; and
- 2) Provide direction for future strategies. (Est. Time: 30 Min.)

Fiscal Impact/Change to Net County Cost

There is no Fiscal Impact or change to Net County Cost associated with receiving this presentation.

Background

Staff is presenting an update to the Board of Supervisors on its various projects and programs, as well as seeking direction for future strategies. This update includes a brief discussion of economic development, including collaboration with relevant economic development stakeholders; the County's current programs, including Promotions and other contracts; an economic update from the Center for Strategic Economic Research; and finally a discussion of intended programs and request for direction from the Board for 2015 Economic Development programmatic action.
