Fee and Easement acquisition costs are \$6,800.00 with title and escrow costs estimated at \$2,500.00 for a total estimated cost of \$9,300.00. Funding for the acquisition process is budgeted in the current Capital Improvement Program and will be provided by a combination of the Highway Safety Improvement Program Funds and Regional Surface Transportation Program Funds.

Background

The Community Development Agency, Transportation Division (Transportation), is currently in the design phase of the Cold Springs Road Realignment Project (Project) to realign the curve radius, increase pavement width and shoulders, adjust elevation and improve drainage along a higher-risk segment of Cold Springs Road between Mount Shasta Lane and Fox Print Court in Placerville.

The Project is subject to the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA). CEQA covers both segments and a Mitigated Negative Declaration was approved by the Board on November 13, 2012. A NEPA Categorical Exclusion for the project was approved by the California Department of Transportation. Construction is anticipated to begin in 2015.

Reason for Recommendation

Negotiations concluded with property owners Joseph Thomas Sexton, Jr. and Lisa Sexton, Husband and Wife as Joint Tenants, securing the County's interest in the seventh of eleven project acquisition parcels, and a settlement has been reached that is representative of the appraised value rounded to a compensatory value of the necessary land rights.

Clerk of the Board Follow Up Actions

- 1) The Clerk of the Board will obtain the Chair's signature on two (2) copies of the Easement Acquisition Agreement for Public Purposes and the Certificates of Acceptance for the Grant of Right of Way Easement, as well as the Grant of a Temporary Construction Easement.
- 2) The Clerk of the Board will return all fully executed original documents to Transportation for final processing.
